

# Lignite Education Teachers Seminar

June 12-15, 2023 | Bismarck, ND

## Learn, Earn, Experience, and Connect!

- Learn from other educators, researchers and lignite industry representatives
- Engage in lignite energy topics and activities, including lessons plans and classroom exercises
- Tours of mining operations, reclamation sites and an energy education center
- Earn professional development credits at no cost
- Network with teachers from around the region

## Join us!

- Four days of lignite education
- **FREE lodging and meals**
- Fun at the Bismarck Larks!

Teachers traveling outside of North Dakota are eligible for a travel stipend.

**Seats are limited.
